The Honorable Frank R. Wolf
House of Representatives
Washington, D.C. 20515

Dear Frank:

Thank you for your kind letter of 17 December. We have enjoyed working with you and your staff and certainly appreciate your personal support in moving ahead with our new building construction. It appears that most of the problems that confronted us in trying to meet the desires of the McLean citizens have been resolved. We will continue to keep them and your office apprised of our progress and try to alleviate any surprises that would negatively impact on our relations with the community.

We too, look forward to working together in 1985; and wish you all a very Happy New Year.

Sincerely,

Harry E. Fitzwater
